I acknowledge receipt of the IT asset(s) listed above in good working condition. I understand that these assets remain the property of the company and are provided solely for authorized business use unless otherwise approved.

I agree to:

- Exercise reasonable care in the use and protection of the assigned asset(s).
- Comply with all company IT, information security, and acceptable use policies.
- Not transfer, lend, sell, modify, or dispose of the asset(s) without prior authorization.

- Immediately report any loss, theft, damage, malfunction, or security incident involving the asset(s).
- Return all assigned asset(s), including accessories and company data, upon request, transfer of responsibilities, or termination of employment.

I understand that I may be held accountable for damage, loss, or misuse resulting from negligence, unauthorized use, or failure to comply with company policies, subject to applicable company regulations and local laws.

By signing this form, I confirm that the information provided is accurate and that I accept responsibility for the asset(s) assigned to me
